

## **Club Clothing Chair Job Description**

This role allows the self-motivated individual to be creative and flexible with ideas and choices. Clothing selection is easy and can be done by online catalogs as well as thumbing through vendor loaned catalogs. WSC provides a budget for club clothing purchases.

### **Main Focus**

- Work with local vendor to order shirts, hats and other garments or items to be emblazoned with the WSC logo.
- Sell the inventory to the membership via the monthly membership meeting, WSC newsletter, and/or casually during organized events held at the club.

### **Future Opportunities**

- Creation of a link on the WSC website to allow a "self serve" option for the membership to choose and order items would be a wonderful addition.
